Legislature

With the legislature adjourned and elections for the house and statewide offices pending there is no action pending at the legislature.

MnDOT

The Department of Transportation has been occupied with road closures and repairs due to the heavy rains and extensive flooding that has occurred in many areas of the state. Work has been completed on the Highway 62/ Xerxes interchange and it has reopened.

Metropolitan Council

Metropolitan Transit inaugurated service on the Green Line June 16. The inauguration of the service was attended by large number of people despite the strong wind and heavy rain.

MOVE MN

MOVE MN is continuing its efforts to fashion a transportation funding plan and build support for passage of a major transportation funding increase in 2015.

I will not be in attendance at the board meeting. As one of Minnesota's Uniform Law Commissioners I will be attending the annual national meeting of the ULC. James Clark of Messerli & Kramer has agreed to attend the Board meeting in my place.
